Dear Parents/Caregivers,

Jet Trek

THANK YOU to all the great helpers who turned out to make the Jet Trek visit a very special one for our children. Thanks to Tamara and Sandy for coordinating the morning and ensuring it all went smoothly and thanks to all the great Staff, Parents and Community Volunteers who came to help on either Wednesday or Thursday. The number of people who came to help is an indication of the great community we live in. THANK YOU. The children were all fantastic and were excited by the day.

THANKS also go to the Variety Club of Queensland. They donated 6 new computers to the school and the P&C will have made a small amount of money on the breakfast and lunch.

Variety Qld will be hosting a Bike Ride through Rainbow in May and have asked us to again look after them for breakfast and lunch. It will be a Saturday morning and P&C will again be asking for volunteers. I'm sure there will also be the opportunity for parents to take their children to meet the bike riders on the day. More information will be provided through the newsletter.

Clean Up Australia

Yesterday students and staff "Cleaned up Australia" around the school. Each class chose an area of the school to pick up rubbish.

Debbie O'Brien did a great job on Sunday coordinating the Clean Up Australia day and by all accounts it was a great success.

Young Leaders

This Wednesday the Year 7 student leaders will be going to the Convention Centre in Brisbane to attend the Young Leaders Day. I'm sure it will provide a great day with inspirational speakers and challenges set for our students to consider in the years ahead.

Regards

YEAR 2/3 CLASS

Please remember Library day is WEDNESDAY.

Tuckshop is WEDNESDAY.

Your child also needs an extra snack if they order tuckshop as they are hungry before 10:45am so we always have a break at about 9:45am.

PERFORMING ARTS SHOW - Friday 14 March at 9:00am.

Please return payment to the school as soon as possible.

Thank you.

Ring Pull Recycling

The class Staralia (Year 5/6) has become a collection point for “ring pulls”! These little tags used to open cans of drink, dog food and baked beans etc contain a small amount of titanium. This titanium can then be used to create artificial limbs for those injured by landmines. Your support would be greatly appreciated and your collection can be dropped in to Staralia or passed on to one of the friendly Staraliens.

GYMPIE ZONE HOCKEY TEAM

Mr Stanieg is coaching the Gympie Zone Girls Hockey Team. If there are any Year 6/7 girls interested in trying out on Friday 14 March 1:30 – 3:00pm at the Gympie Hockey Centre, please come to training on Monday 10 March 2:30 – 3:30pm on the school oval.
