17 June 2008

Dear Parents/Caregivers,

Thanks to everyone who helped out with Friday's Carnival. It was disappointing, but unavoidable that we had to change Friday's program. So it was fabulous to have so many parents and locals come and help on the day. Rainbow students had some great individual performances including Matt Larkins and Sarah O'Brien winning age champions. I was once again very proud to see Rainbow win the teams trophy and to see how well all our students performed on the day. We now confirm whether any of our students meet the qualifying times and distances for Gympie Selection Trials.

The final results for the day were:

Student Behaviour

Whilst most of our students are very well behaved most of the time, sometimes a few students need a little extra help and support to assist them to make good behaviour choices. We have followed many strategies at school including lunchtime detentions, time outs, completing behaviour contracts and responsible thinking strategies for the day to day. Another strategy will be to send a parent letter home for those students who repeat their inappropriate minor behaviours on a regular basis. We ask that parents support us and their child in helping to change these behaviours. For more serious offences we will continue to follow our behaviour plans and make contact with parents as soon as possible to follow through.

Each year the P&C sell raffle tickets at the fishing classic. This along with the nights we are given to sell meat and seafood trays at the classic is one of our biggest fundraisers of the year. This year we have decided to do a "Mega Grocery Hamper", so check your cupboards, buy a little something extra next time you are at the shops and drop it into the school.
